

# SOCIAL MEDIA COMPETITIVE ANALYSIS

Essie vs. Beauty Brands, Sept. - Dec. 2017

**Rival**  
**IQ**

# INTRODUCTION

A social media competitive analysis will serve to provide awareness of how your competitors are using social media to engage their customers and potential customers. It will reveal standouts on each channel and highlight areas for improvement. You'll also better understand how your social media performance compares to the competition.

In this report, you'll see a comparison of essie against 7 other brands in the beauty space. Please note that a competitive analysis doesn't strictly require competitors. We encourage including other brands in your analysis that aren't direct competitors. You'll get a more complete view of your social marketing that way.

# WHAT THIS REPORT COVERS

In the following report, you'll find:

- Executive Summary
- Competitive Landscape Definition
- Channel Analysis
- Positioning Review
- Metrics Review
- Visual Content Review
- Hashtag Review

# POST TYPE REVIEW

How activity and engagement breaks down by post type.

# POSTING ACTIVITY BY TYPE, INSTAGRAM

Post Type	Posts per Day per Company	Eng. Rate / Post ▾	
Photo	2.57 / day	<div><div></div></div>	0.83%
Carousel	0.07 / day	<div><div></div></div>	0.57%
Video	0.51 / day	<div><div></div></div>	0.37%

Photos outnumber videos about 5-to-1.

Photo engagement rates are almost double those of video.
